RICHMOND, Texas -- Two bodies were found inside a pickup truck that was reported stolen, officials told KPRC Local 2.

Fort Bend County sheriff's deputies said the truck was found on Carmen Lane near F.M. 2759 in Fort Bend County at about 7 a.m. Wednesday.

The bodies were found in the back seat of the truck and were wrapped in a sleeping bag, officials said.

Investigators removed the truck with the bodies still inside because high winds made it impossible for them to process the scene.

A strong odor of gas was present around the truck, investigators said.

Officials have not released the victims' identities or causes of death.

Investigators said the truck was reported stolen in September.
